THD Facility Thermal Mapping Qualification

A thermal mapping qualification of the warehouse area of the THD Facility located at 6150 Cypihot St-Laurent Québec, H4S 1Y5 has been conducted in accordance with the Facility Thermal Mapping Protocol PSL5.1324.TH.D.FTM.100828.PRT developed by Sensitech for THD.

All temperature specifications within the Facility Thermal Mapping Protocol were met. The warehouse area of the facility is considered successfully qualified.

A handwritten signature in black ink, appearing to read "Calvin Vandyck", is written over a horizontal dotted line.
